FOR IMMEDIATE RELEASE

**Cohen & Steers Select Preferred and Income Fund (PSF)
Declares November 2011 Monthly Distribution**

NEW YORK, NY, November 1, 2011—The board of directors of Cohen & Steers Select Preferred and Income Fund, Inc. has declared the Fund's November dividend, as summarized in the chart below:

Declaration Date	Ex-Date	Record Date	Payable Date	Rate Per Share
November 1, 2011	November 16, 2011	November 18, 2011	November 30, 2011	\$0.172

The Fund seeks high current income, with a secondary objective of capital appreciation, by investing primarily in U.S. and non-U.S. preferred and other income securities. Generally, the majority of assets are allocated to investment-grade securities believed by the manager to be undervalued relative to their credit quality and other characteristics, such as company fundamentals.

The amount and composition of the Fund's distributions will be disclosed monthly at cohenandsteers.com; however, this information may change after each calendar year end, once the final tax characteristics of all Fund distributions can be determined with certainty. Final tax characteristics of the fund's distributions will be provided on Form 1099-DIV, which is mailed after the close of each calendar year.
